Elizabeth Saunders

One 6th Grader & Her Survey

By Frances H. Paulette

Elizabeth Saunders is a sixth grade student in Mrs. Bryan's class at the Appomattox County Elementary School and she is a very concerned young lady. Her grades? Oh no, they're fine; her concern is with 'How Much' and 'What Quality' television is being viewed by the average American family.

The daughter of Mr. and Mrs. Z. V. Saunders of Route 1, Appomattox, Elizabeth is a 4-H club member and recently participated in the 4-H Club Public Speaking Contest. Her topic was, "How TV Is TAking Over America."

Before writing her speech, Elizabeth did some research by giving out to the sixth grade classes at her school a survey sheet that she had prepared. Out of 200 families surveyed, the total represented was 800 to 1,000 people.

The survey sheet included such questions as: How many were in the family, how many watched TV, reasons for watching TV, kinds of programs viewed, how many television sets were in the family and how many hours of television were watched on each day of the week. The results of this survey are enough to give any parent cause for concern. The following is part of the survey result:

1. Only thirty-three out of the 800-1,000 represented did not watch TV.

2. 102 out of the 800 to 1,000 gave entertainment as the main reason for TV; education and a desire to keep abreast of the news ran a poor fourth and fifth.

3. Comedies, cartoons, and sports were by far the winners with over one-half of those surveyed giving these three as first, second and third choice.

4. The average number of sets in each family is 2.6.

5. The average number of hours watched was from 4½ on Monday up to 7 hours on Saturday with answers varying from one hour per week up to twelve on any Saturday and/or Sunday.

To quote from Elizabeth's speech, "My sixth survey question was, 'How Many hours of TV do you watch on each day of the week? For Monday it averaged 4½ hours, for Tuesday 4¾ hours, for Wednesday 4½ hours, and for Thursday 4½ hours. On Friday people watch TV for 5½ hours, and Saturday about 7 hours of TV and on Sunday about 6 hours or 37 hours of TV per week!"

Her speech continued: "Instead of sitting in front of a machine people could be working or playing sports during this time. It's not that I am against TV, but don't you think that 37 hours of TV per week is a little too much?"

I heartily agree with Elizabeth.....37 hours of watching TV per week is too much. How do you feel? What ever happened to good books and music?

St. Luke

Those of us in the St. Luke Community are so thankful to be in the process of getting over a very rough and stormy winter.

A sizeable crowd was out March 4 to attend the regular preaching services and church school. Rev. J. E. McLaughlin was present and in charge.

The morning message was taken from Hebrew 11-8-10. By faith Abraham went out not knowing where he was to go.

Subject: "Standing On The Promises Of God." This he spoke in a very inspiring and uplifting way. The Senior Choir gave soul stirring music. The offering was good.

At Hat Creek Baptist Church, Sunday at 3:00 p.m. Rev. McLaughlin was the speaker for their deaxons day program. He spoke from Matthews 5. For I say unto you unless your goodness exceed that of the scribes and pharasees you shall in no wise enter into the Kingdom of God.

Subject: "Is Your Religion Big Enough?" This was a message of challenge to the hearers and well taken. The St. Luke Senior Choir gave the music. This was a very inspiring occasion.

The St. Luke people and pastor are planning a 2nd service beginning the third Sunday in March at 11:00 a.m.

The weather condition hindered the former time; but we hope all will come out and support the third Sunday services.

On Tuesday March 6 at 7:30 the usual Bible study will be conducted at the St. Luke church.

All interested people are asked to please plan to attend the Bible institute that will be conducted at the Hat Creek Church in March.

The ill ones who had flu and other ailments are some what on the upward trend. We hope for them a complete recovery.

Mrs. Teressa Baker from Philadelphia is now in the home of her aunt Mrs. Grace Walker for a while.

Mr. Greg Canada and his friend Miss Shirley Hubbard were visitors in the home of his parents Mr. and Mrs. Samuel Canada. Greg is a student in Norfolk State College. Miss Hubbard does secretarial work in Lynchburg.

The staff of the RSVP from Rustburg will conduct a workshop meeting with the St. Luke March 6th at 10:00 a.m.

A Real Waitress at Bessie's

By Harry D. Ferguson

Just enter the door, and you notice a real waitress out on the floor,
Ready to take your order and serve you with speed,
Knowing with only thirty minutes to eat, that is what you need.
Has a personality of the best.
She will take your order and will serve you in a short while,
All of this is with a big smile.

Has an outstanding way in serving the public each and every day,
Daily I am speaking to her for a while,
Even when she is tired she still wears a smile.
Right now I am letting you know her name is Pam.
She is married and doing real good.
Shows love for her husband & baby as a mother & wife should.
Her baby is her main concern.
When her day's work is over, it's home she returns.
In talking to Pam from the start, it was easy to tell she had a kind heart.
Praising her husband behind his back, is proof of real love,
That is a fact.

Now that I have acquainted you with Pam, give her your next order and avoid the jam.

A Postmaster With An Outstanding Personality

By Harry D. Ferguson

Appomattox is a small town. Still a real Postmaster was finally found.

With a personality of the best and treating each one the same, That's why I am writing this poem in reference to her name.

When you walk in, it's can I help you!!

Over the years words like these have been very few.

I appreciate the way our Postmaster serves us today.

In the past it was a much different way.

The Postmaster and all of the clerks that we have today deserve praise in every way.

The administration made a fine choice

When they gave us a lady for a Postmaster with understanding and a sweet voice.

This is all I have to say,

Mrs. Ora McCoy is a real Postmaster, we should all Pray.
